## FALL 2010 President's Message

Summer is coming to an end and the weather is nice enough to get some bass fishing in. We had a close call with tropical storms, but thankfully they went to our east and left us alone. The summer party was a success as always. Thanks to all the volunteers who helped the board members with the party.

This September we had our annual camp out at the beach and added movie night for the children. I received, along with other board members, calls thanking us for this event. Looks like we'll keep it in for next year.

Please try to make our general meeting at the fire house on November 5, 2010, 8 p.m., and clean up day at the beach, more hands make the day go much easier. Check for the dates in The Beachcomber.

Remember that many businesses take out ads in our Beachcomber. Please give that page a look and give our local retailers your business.

Looking forward to seeing all of you at our fall general meeting.

*Dave Hablenko*  
President, 878-8948

## Marina Report

Well, folks, the boating season will soon be coming to an end. For the most part, the beach/marina has fared well and we enjoyed another wonderful summer. Remember that the Fall Beach Cleanup is November 7th @ 9:00 a.m. Please come down; we have lots to do! One project in particular is to re-sheath and re-frame the storage shed.

On another note, I have noticed a large increase in kayaks being used down at the beach. It's a popular sport that is gaining momentum. We are considering building a kayak storage rack for the those in the community to rent by the season. We are trying to determine community interest. Please email me if this would be an interest to you and your family.

Please be considerate to your surrounding boat owners, please refrain from cutting fish on the floating docks/boats. I have received many complaints about this issue. Let's work together to keep the docks clean and family-friendly.

Lastly as a reminder—boat slip payments need to be paid on time. Please communicate any and all changes to your slip status as soon as possible especially if the slip will not be used next season. This allows others on the waiting list to plan ahead for next season.

Thanks!

# Snapper Derby Entertainment

A lot has been going on since the last edition of the Beachcomber. In July we held our annual beach party. The D.J. played lots of great music, the kids danced, played games and all enjoyed great food and drink. In August we held our annual Snapper Derby. Plenty of kids came to show their fishing skills and luckily the fish were biting this year. We would like to congratulate our winners: Alessandro Volpe for catching the first fish, Dominic Sarno for catching the most fish, and Tyler Jacino for being the most dedicated fisherman. We would also like to

thank Gary Hansen and Anthony Jacino for running the derby and for the donating snapper poles for each child along with the tackle boxes as prizes. For the month of September the fun kept going with our annual campout and movie night. Plenty of families came to enjoy Madagascar under the stars on a large movie screen,

and then the brave remained for a campout. We would like to thank George Marino for helping with the smores, and Gus for delivering a bagel breakfast bright and early for the campers, and coffee for the tired parents.
