Newport Beach Property Owners Association

SPRING 2015

PRESIDENT'S MESSAGE

Well another winter has come and gone. I would like to personally thank Mother Nature for the extra snow and the extreme cold this year.

Spring is here and we will need many hands to help out with our spring clean-up at the beach and marina. Many hands make all the work little easier for all. Look for that date and many other important dates in the Beach Comber or online at www.nbpoa.com.

Next I would like to welcome Joe Roccaro for joining the board of directors. As many of you know, Joe has always been around when chores have to be done at the Beach, or Marina.

He will be a great addition to the board. On the other hand, I would like to thank Jay Guthrie for jumping in this year to help out on the board, he will be greatly missed by all, but knowing Jay, he will be around to help out as always.

Again, please take note of the signs around the neighborhood. They are there to inform everyone of upcoming events in the community. We will also continue with our phone message system that will give information on upcoming events, or any problems in the neighborhood that might need your attention.

On a sad note, I'm sorry to say that Anthony Giamalvo passed away a few weeks ago. Uncle Tony, as some of us called him, was one of kindest people that I ever met. Tony was on the board before there was a board. In the early days he was always be at the beach taken care of anything and everything, later on if he couldn't take care of something he would ask for help, always with a please and thank you. I know he is looking down at us and saying "the beach is good". During the Memorial Day celebration the board would like to plant a tree in his memory. I will miss him and all whose lives he touched will miss him.

We are looking forward to a Great Summer Season and I would like to wish all, a healthy fun filled, safe summer.

Dave Hablenko
President, 878-8948

MARINA REPORT

The marina did very well this winter even though we had extreme cold. The deicers helped to kept the ice away from all the poles. Nothing has lifted as far as we can see. There are some poles that we will need to look at that may require replacement just due to the fact that they are very old. We will have to look at the ramp to see what repairs are needed. It has been slowly deteriorating over time. Also the walkways will need repairs in multiple spots around the marina. We will also be deciding on a location for additional Kayak racks.

We really can use as much help as possible so please try to attend the spring cleanup!
