Newport Beach Property Owners Association

SPRING 2016

PRESIDENT'S MESSAGE

Well, winter has finally gone, I hope. We lucked out with our Easter Egg Hunt this year. The wind was only half as bad and it really wasn't that cold. The best as always, is the smiles on all the children's faces. I would also like to thank the board members that helped with setting everything up and especially Mr. Bunny!

Unfortunately, we're back to the ongoing struggle with dogs running loose at the beach, when there are people trying to enjoy it. The rule is very simple, if you are at the beach alone with your dog, let him/her run free. But, if someone shows up at the beach, the dog has to be put back on a leash. I know that most dogs are very playful but one playful bite or scratch on a child's face will cause us all problems, which has happened in the past. Number 2 is the second problem, there are doggie bags all over the beach for your convenience, please utilize them and deposit them into the dumpster when you leave. If cleaning up after your own dog doesn't start happening on a regular basis, then unfortunately we're going to stop letting the dogs into the beach area. It's not fair to get #2 between your toes.

At the January general meeting we lost a board member and need to elect another. At the April 15th Firehouse meeting we are going to hold a vote to fill that spot and we could really use someone who has accounting skills.

Check the Beachcomber for all important dates and events. We will still send phone messages, if something important comes up. We also might need a few more security guards at the beach, please give me a call if you are interested.

MARINA REPORT

Welcome to 2016! The marina is in good shape after the winter. We have some small maintenance issues to handle. We will need some assistance in the repairs of some of the boardwalks during the upcoming months. There will be a set date released at the general meeting for the second Kayak rack build. We will be reaching out to the waiting list families for assistance. The marina is filled again this year with only 1 open slip coming available.

The ramp and the adjacent boardwalk are in need of repair. We will be replacing the boards on the top deck as well as some boards in the ramp itself.

Lastly the cameras have been installed and are now showing a view of the bay and marina. Please take a look on the website.

Look forward to seeing everyone at spring cleanup!
